The highlights of the Institution is secured more percentage of Anna University results in "CSE- 92%, EEE 87%, ECE 92.5%, IT 94.4% & MBA 84% and also mentioned that the placement record as 90% this year. Dr K Palanikumar, Principal, Welcome the gathering. The presidential address was delivered by Mr.Sai Prakash Leo Muthu, CEO (Sairam Group) in his speech he mentioned that SaiRam Institute of Technology was started with just 4 departments but from the year of inception till date SIT has produced 82 university ranks with one gold medal. He also mentioned that the bondage of Sairam with TCS is for more than a decade, where TCS gives placement opportunities for many students and also proudly mentioned that TCS has a thought of societal service as they have offered 100 crores to build toiletories in India as a part of SWACH BHARAT. He insisted the students to be a job providers and to firmly believe in themselves to achieve greater heights. The Chiefguest Shri K. Ganesan - VP -Global Head (HR-TCS), in his speech he wished the students for the

graduation and asked them to give an applause for their parents and staff as a token of respect for their sacrifices made to them in order give graduated. He also quoted that once the Alexander was asked why he was not able to conquer India, he said "Unlike other countries India is being ruled by good teachers and not by soldiers and so that teachers can not be defeated, so India could not get conquered. By this he spoke about the importance of teachers, he express his gratitude on behalf of TCS to all and insisted that TCS has a synergetic relationship with SAIRAM group and he asked the students to take Chairman MJFLN.LEO MUTHU as a role model for his uncompromising passion for quality, matched by his total commitment to the cause of education. He also proudly stated that Sairam Instituion has been pillar of Strength to TCS through its consistant support to TCS in the matter of campus hire.The students must not be BONZAI MANAGERS but should have global perspective and our business depends upon healthy survival, so choose a line of growth very carefully. In all this things continuous learning is common factor therefore must keep learning. He spoke about the book 'Tipping Point' by "Malcolm Gladwell" and also recommended to read this book. He mentioned few Tipping points as " Construction for US, Industrialisation for UK, Dairy products for Denmark and Development on automotive industries for Japan.

MJFLN. Leo Muthu - Chairman
Sairam Group of Institutions

He questioned to identify the Tipping Point of India? and explained that Indian talents (IT) is the tipping point for India and the young graduates should act as a tipping point and add a lot of value to yourself, family and to the country as a whole.He stated that the young graduates in order to achieve this harmony should "Traditionalize the modern and Modernize the Tradition." Mr. Sathiyamoorthy -Executive Director (Sairam group) felicitate the graduates. Dr. K. Maran - Director (Sairam Institute o Management Studies) rendered the vote of thanks and wished all the graduates for their future prosperity.
