ASSOCIATION OF ELECTRONICS & COMMUNICATION ENGINEERING

The association was started in the academic year 2009-10. Guest Lectures on various topics are arranged regularly. A National level technical paper presentation contest, workshop and quiz program are the regular features. PRAESTANTIA “is conducted every year in August / September. Every academic year, the association arranges for educational tours and industrial visits to develop the industrial knowledge of the students.

ASSOCIATION OF MECHANICAL ENGINEERING

The Mechanical Engineering Association was formed during the academic year 2012-2013 and since its inception, periodical meetings, student seminars and guest lectures have been the regular features. Every year, the association conducts atleast one technical seminar every fortnight with special lectures on the topics most relevant to the curriculum for the benefit of the students. The association organises “MESSI”, an All India Technical Symposium, every year. The association has ambitious plans to include interaction with industries in a broader way, such as, sponsoring students in special seminars, research and development activities, which will ultimately improve the institution - industry relationship remarkably.

ASSOCIATION OF ELECTRICAL AND ELECTRONICS ENGINEERING

In order to develop professional ethics and to build rapport with experienced engineers, the Department of Electrical and Electronics Engineering has its association. In addition to the regular activities like guest lectures by eminent professionals, arranging technical visits, seminars and symposiums, it has been organising State level and National level paper presentation and seminars on latest electrical and electronics

engineering topics, under the banner of “WARRO S” every academic year. Industrial tours to provide industrial exposure to students and staff are arranged regularly.

ASSOCIATION OF COMPUTER SCIENCE AND ENGINEERING

The Association is intended to inculcate the technical passion and mould the budding technocrats. “SINTACS” - a national level technical symposium is conducted, bringing students from other engineering colleges, invoking the technical extravaganza. Frequent guest lecturers from various IT oriented companies create awareness among the student population. Visits to large scale industries emboss orientation between the students and industry professionals. Educational tours in and out the state nourishes practical knowledge. The above activities are highly emphasized by this ambitious association in order to make the students update with the state-of the art technology and to improvise on their technical skill set. The association organizes short term courses which bring the students in contact with the parallel fields of their curriculum like networking, hardware and software concepts.

ASSOCIATION OF INFORMATION TECHNOLOGY

This association is functioning under the name “Dreadnought”. Every year, a national level technical symposium is conducted and many institutions throughout the state are showing overwhelming response. The association conducts other than the national level technical symposium, special seminars and workshops in a big manner regularly.

ASSOCIATION OF CIVIL ENGINEERING

Civil Engineering Association was formed during the academic year 2014-2015. The premier branch of Engineering has been organizing a National level technical symposium “SHRUSTI” every year by inviting eminent and experienced resource persons from industries as well as educational institutions to help the student community at large. Guest lectures, seminars and curriculum related competitions are regular features of the association.

ASSOCIATION OF SCIENCE AND HUMANITIES

This association “SIT SCIHUM” primarily fulfils the aspirations and development of the first year engineering students. National level paper presentation and student seminar is arranged every year for better interaction and exchange of ideas among the first year students. Apart from this, the association is active throughout the year with frequent organization of special lectures by eminent personalities and various co-curricular competitions. The enthusiasm and team spirit of the young students in organizing various activities is outstanding.

ASSOCIATION OF MANAGEMENT STUDIES

The Association of Management Studies comprising mainly of MBA students, periodically conducts seminars, workshops and guest lectures. It also arranges special lecture programmes, educational and industrial visits, paper presentations and other managerial endeavors. It aims at imparting practical skills through frequent interaction with practicing managers and entrepreneurial development programmes. MANFEST, the National Level Meet is conducted for the managerial students every year successfully.

COMPUTER SOCIETY OF INDIA (CSI)

CSI forms a link between the computer related departments of our college and outside industry. Recent developments in IT fields are updated through regular seminars. Course orientation programs for the staff are conducted through this chapter. It has about 1000 students who study computer related courses and are provided with maximum opportunities and channelized to their fields of interest.

INSTITUTE OF ELECTRICAL & ELECTRONICS ENGINEERS (IEEE)

It is the oldest and the largest technical society in the world, having its head quarters in United States of America. A student branch of IEEE functions in our college with students from EEE, ECE & ICE Departments as members. This chapter conducts periodical technical seminars and conferences with the interaction of eminent personalities from leading industries & institutions. The student members are also taken for industrial visits to make them understand the latest trends in their technical fields. It provides them with the best technical magazines, proceedings, transactions, journals etc., published by IEEE, USA. It enables the student members to take part in seminars & conferences conducted by IEEE Student branches of other reputed institutions and to interact with other IEEE members all over the world.

INDIAN SOCIETY FOR TECHNICAL EDUCATION (ISTE)

ISTE plays a great role in enhancing the status of Engineering teachers and students and fulfilling their professional needs. It is ably supported by the Ministry of HRD, AICTE, State Governments and many International agencies in organizing a variety of programmes to develop the competency of Engineering teachers. ISTE association awards best outgoing student award every year.

SAE - CLUB

This Club was established in the academic year 2015 - 2016. Our SAE Club is one of the largest of all the SAE Clubs in the Southern India Section and in the entire country. Other than responding to the prestigious activities of the SAE, our club conducts significant events every year.

INSTITUTE OF ELECTRONICS & TELECOMMUNICATION ENGINEERS (IETE)

IETE, established in 1953 is India's leading recognised technical professional society. It has over 45,000 members spread all over India and in few countries abroad. It provides leadership in a number of scientific and technical areas of direct importance to national development and economy. The basic objective of our IETE chapter is to facilitate the exchange of information and ideas on the advancements in Electronics & Communication Engineering through special lectures, seminars and workshops.

ICI- INDIAN CONCRETE INSTITUTE

Indian Concrete Institute (ICI) is the premier professional body for concrete technology with above 12,000 members with 34 centres spread across India. It has on its fold the captains of Construction Industry, building material manufacturers, Leading Consultants & Civil Engineers, Contractors, Academicians and Educational Institutions. In the year 2016, Sri Sairam Institute of Technology has become a life time member in Indian Concrete Institute. Indian Concrete Institute is one of the leading professional bodies in India. It is dedicated to the cause of disseminating knowledge on concrete, to promote concrete Technology and Construction.

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE (IEDC)

The Innovation and Entrepreneurship Development Centre (IEDC) is a unique centre functioning in the Institute to promote and encourage young and budding entrepreneurial aspirants to showcase their innovative talents in the form of student projects.
