

FEEDBACK SYSTEM 2022-2023

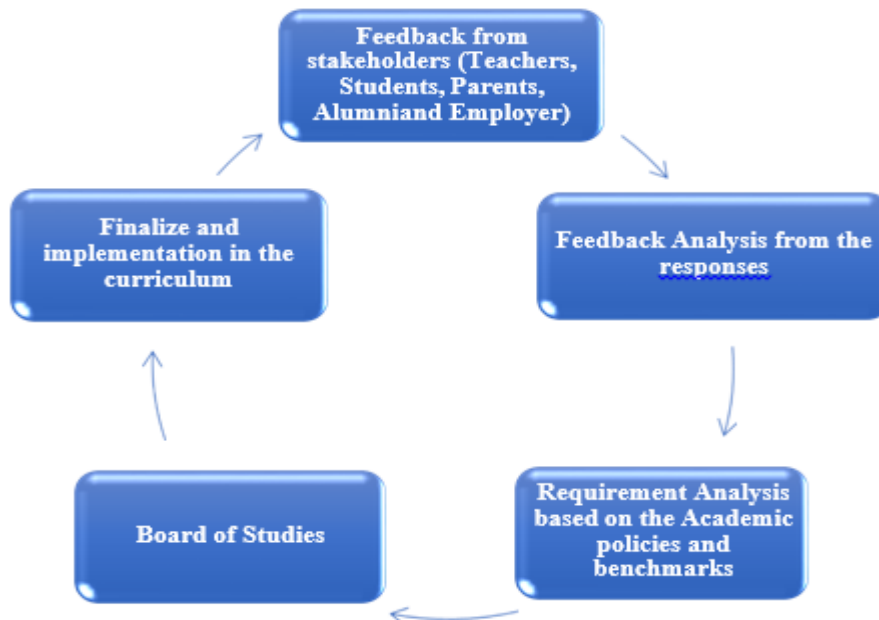

Feedback System for Curriculum:

The institution collects feedback from all the stakeholders (Students, Teachers, Parents, Alumni and Employers) at the end of every semester. This Qualitative feedback is one of the significant process in the institution for providing a continuous improvement in the curriculum. The feedback obtained, is analyzed based on the following features.

- (1) quality of the teaching learning
- (2) opportunities for personal and professional growth
- (3) fairness and transparency in evaluation
- (4) Infrastructural resources and Facilities related to curriculum.
- (5) Culture and ambience of the college.

Feedback Process:

Curriculum review is one of the important factor in the institution for providing a continuous improvement in the curriculum in order to enrich the teaching learning process. The curriculum improvement is done through the following phases.

1. Online feedback system is used for collecting the feedback from the stakeholders.
2. Generation of the responses and analysis of the data is done in order to enhance qualitative teaching which leads to professional growth of every student.
3. Based on the analysis requirement discussions are carried out by the respective department hod's based on the academic policies and benchmarks.
4. The curriculum review members finalize the changes in the syllabus as proposed in the board of studies (BoS) meeting conducted after the feedback analysis.
5. Finally the changes are incorporated in the curriculum and an action Taken Report(ATR) is prepared and submitted to IQAC.

Stakeholders Feedback on Curriculum

Analysis 2022-2023

Students Feedback:

We solicited feedback from both our undergraduate and postgraduate students. A special five-point scale on the curriculum is designed in this feedback form. Students felt that each course's objectives were clear, and that the course workload was manageable. The curriculum designed was socially relevant and appropriate for placements. Even the curriculum assists them in becoming responsible citizens.

STUDENTS FEEDBACK ANALYSIS - 2022-2023

Teacher Feedback

All of the teachers agree that the syllabi are adequate; few percent of the teachers indicate a need for analytical abilities in the curriculum; and some of the teachers indicate a need of source materials for reading.

The component on analytical skills should be emphasized in the curriculum. Reading and source material on latest updates in the subjects should be bolstered through the departmental / central library.
