Activity Report of the Code club for the Academic Year (2022-2023)

On 30th January 2023, the Cyber club and Code club in association with the Department of Computer Science and Engineering conducted an event titled “**History of the classic cipher (From BC to AD)**”. The event commenced with a welcome address from Dr. B Latha, HOD, Department of Computer Science and Engineering. Then the guest speakers of the day – Mr. Boopathi Kannan and Mr. Sadhesh Kumar Nehru took over the session and gave an introduction about cryptography.

The students were engaged in lots of activities. This event gave a lot of insights into cryptographic techniques used in the earlier days and how they were replaced with new techniques. Finally, we had a feedback session.
